

The Journey to Here

“We listened, we identified the challenges,
We came together (as a community);
We explored connections,
We prioritised projects”

- Mauren Halit, MRAG President

Community Plan 2025

Six key vision project areas have been identified as follows:

1 Create a Village Atmosphere

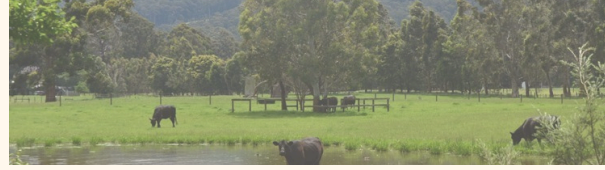

To revitalise and reimagine the shopping precinct, bringing warmth and community to the heart of Millgrove.

2 Create an Updated Memorial Reserve

To breathe new life into this natural space for the community to enjoy and take pride in its ongoing care

3 Create a Lake, Playground & Community Hub

To restore and create new areas for community gathering and connection.

4 Create a Community Resilience Emergency Hub

To strengthen the community's resilience with a well-resourced hub.

5 Create Community Gardens

To create a space that fosters local food production and strengthen community connections

6 Create a Safer & Inclusive Township

To promote unity, equity and enhance overall community well-being.

We have an exciting future. Let us take the journey as a community, thinking big and staying united! Together we become strong and inspired.
