## MRAG Collects 10 cent recycling containers to raise funds

MRAG has installed collection bins around the community to enable recyclable containers to be deposited and for MRAG to cash them in for much needed funds for community projects.

Two stainless steel bins have recently been installed by MRAG in the Reserve. These are not rubbish bins, they are for recyclable containers with the 10 cent refund label. Big thankyou to Lou

# Draft plan for the River Rd Trail extension:

A survey and draft drawings have been received for River Rd Trail to complete the Bridge to Bridge Loop Trail in Millgrove. This is the first stage to costing out the project, applying for planning permits and land owner consent (DEECA) and seeking out funding support. This project has been in previous and the current community plan.

Anyone interested in helping with this project can contact MRAG
