MRAG is well into planning the next Open Day and Expo event for 2026. It is an important annual reminder to be prepared for the summer season and to have a fire plan for your family.

We have been fortunate to get Nick Love back, be sure to get your caricature drawn for free. The SES will demonstrate the jaws of life on a car, CFA and Red Cross will again provide useful information.

Learn about how community organisations can help you, lots of entertainment, food, free giant games and more.

To help raise funds, MRAG has equipment & venue available for hire: Please contact us via information below.
