MILLGROVE HAPPENINGS

October 2026 - Volume 2 / Issue 10

Youth Hangout Success

The Millgrove Barn, affectionately called the Bushells Barn, has been the meeting place for the young to meet, eat and learn about new technology.

Once a month, Yarra Junction Library staff provide equipment and instructions for Grade 5 to Year 9 students.

The final session for 2026 is on the 7th December, starts at 3:30pm until 5pm.

The theme will be Christmas. There will be computer coding combined with craftwork.

"RESILIENT MILLGROVE – ONE HOUSE AT A TIME"

MRAG TO IMPLEMENT A RESILIENT HOME RATING ASSESSMENT PROJECT

MRAG in partnership with ResilientCo, Resilient Building Council and the AMP Foundation (funder) have combined to design a unique project that uses a Home Assessment App to determine the fire resilience rating of a home.

MRAG are looking for applications of at least 200 homes in Millgrove to participate in the project beginning in Early 2027.

The App will make recommendations on ways to make your home more fire resilient.

"We have developed a world-first Resilience Rating system that measures the resilience of property and provides tailored adaptation actions."

"90% of homes in Australia are not disaster resilient"

Resilient Building Council

You are welcome to put your name down to be contacted to find out more about the program. The registration form is provided below:

Your details and information will be kept confidential.

Funding for the program is being provided by the AMP Foundation.
